Agendas!

I have been asked several times by our members: "Now that you are the commodore, what will be your agenda?" After pondering this long and hard, I realized I had no agenda and I thought I better come up with one. Then out of the blue, thanks to Vice Commodore Jerry Shandera, the 2017 BCYC calendar was distributed. As I thumbed through the pages it dawned on me – I have the agenda in front of me. Our calendar is packed with activities, on land and on the water. The many very capable committees, with their dedicated volunteers, work diligently to make sure that all of us are able to enjoy our fantastic club, regardless of our interests.

By the time my tenure is over, we will have hosted numerous parties, hundreds of sail boat races and cruised to faraway places. In addition, we will also have hosted Safety at Sea Seminars, the Women's Sailing Convention and many more educational events.

To make this all happen, we are further blessed to have such great staff whose sole purpose is to make sure we enjoy BCYC. 2016 was a fantastic year and I am hoping that 2017 is even better. Finally, this agenda is for all our enjoyment. If you have questions, recommendations or comments, please let us know. Your Board of Directors is here to make sure that your club works in your interest. Remember, it's not too late to join one of our many committees and then, you can have a say in your own agenda.

One very important objective for 2017 is to complete and approve our Strategic Plan. We are all so fortunate to have this facility and marina under our ownership and these assets must be protected. The purpose of this document is to create a blueprint for others to follow, insuring the viability of our club and its future, maximizing membership value. This Strategic Plan will focus on finance, facilities – including the marina — and membership. Thanks to a number of our members, including some staff commodores, this has been a work in process for several months. My goal is to finalize the plan and present to our membership as a living document, which will help set the course for future years.

"If you are going to do something, do it now. Tomorrow is too late." - Pete Goss -

BCYC Open House

Invite all your friends and family to the 2017 Open House Sunday, Feb. 12, 4 p.m.

Everyone will be able to take a tour of the facility and see why BCYC is such a fun, wonderful place

We are actively interviewing prospective new members, and as we welcome them into the BCYC family, their pictures will be posted on the "Welcome Aboard" bulletin board near the club office. Please contact me with information about folks whom you would like to sponsor as BCYC members!

Traditions

First, I want to thank everyone for your encouragement of the Traditions Committee in 2016. With your support, we were able to accomplish several priorities on our list.

1. Retiring the colors: Thanks to the Columbia Room crew for their enthusiasm to keep this going every day we are open.
2. Columbia Room Burgees: The Traditions Team did a great job of sprucing up the Columbia Room. The older burgees have been revived with a wash and a press, and new burgees are continually being added.
3. Officer of the Deck: A big warm THANK YOU to the Boat Parade OOD team, as neither rain nor wind kept us down! Thanks to those of you who donned a blue blazer last spring and summer – getting stronger, we just need everyone to volunteer so we can be more consistent.

Please feel free to attend the Traditions Committee meetings on the fourth Wednesday of the month at 6:30 p.m. We are a lively and fun bunch, and welcome new thoughts, ideas and perspectives.

- EB Barden, Tradition Committee Chair -

Activities

Kristy Parr

bkparr@gmail.com

A New Year -
Let's Have Fun -
Get Involved

A new year provides us an opportunity to look for ways to make the year ahead even better than the one before. The Activities Committee is excited about all of the events we have planned for 2017. We've got some favorites returning, like Lounge Nights, Patio Movie Nights with new themes, along with new twists on our seasonal events like Halloween and New Year's Eve. Stay tuned for more.

Better yet, come join the Activities Committee! Why join a committee? Have you ever attended something and had a great idea about how it could be enhanced, or looked at the club calendar and thought of an event it would be fun to include? This is your chance to give that input. In addition, you'll get to expand your knowledge base about BCYC. Before becoming involved with this committee, I had no idea how to create amazing centerpieces, plan a party for 100 of my closest friends, or enlist a crew of happy, merry workers to spend multiple days decorating the club for the holidays. Probably the BEST reason for joining our committee is the camaraderie and **fun!** Planning and putting on the events is as much fun as attending them and is a fantastic way to not only meet more members, but spend hours laughing with and getting to know them better.

I've had members tell me that they are reluctant to join a committee, because they don't want to be in charge of an event. Well, you don't have to be. Many hands make light work and there is plenty of opportunity for those who just want to pitch in to help and have a wonderful time with great people. We are looking forward to having you come join us and participate - we meet the second Wednesday of every month at 7:30 p.m.

SHOWBOAT 2017

SOUTHERN FRIED SHOWBOAT

March 29 - April 1

Featuring the music of New Orleans
and the Southern States

6 p.m. - Cocktails

6:45 p.m. - Dinner

8 p.m. - Show

Pricing:

\$37++ - Regular Seating

\$18++ - Children (12 and under)

Reservations open February 18!

Cruising
Lauri and Secy Steve Moffett
laurimoffett@gmail.com

Cruising Season Starts in March!

We are excited to be the Cruise Committee chairs again this year. Plans include visiting some of our favorite spots, as well as bringing some new locations to the schedule. We realize that not all BCYC members have boats that can accommodate weekend outings, so we have added two land destinations this year. A quick look at what we have planned: March, Desert Land Cruise; April, Avalon (CIYC); May, Long Beach Yacht Club; June, Isthmus; July, Junior Staff Commodore Land & Sea Cruise to Santa Barbara; August, Clambake (DRYC in Cat Harbor); September, Newport Harbor Raft-Up; and October, TBD.

Our first 2017 cruise will be March 3-5, a desert land cruise in the Indian Wells-Palm Desert area. Sign up now at either the club or on the club website. The fun begins Friday afternoon with a putting contest (NO skills needed) and a cocktail party at the home of Kelly and Heidi York in Indian Wells. Saturday morning, will feature a golf tournament at Indian Wells Country Club. That evening, we will have a group dinner at Castelli's in Palm Desert. Sunday is on your own. A week or two before the cruise, a full itinerary will be sent to everyone who signed up.

IMPORTANT: If you would like to attend, sign up early. We have to guarantee numbers with the hotel, country club, food catering and restaurant before Feb. 8.

A new adventure cruise will be to Santa Barbara Yacht Club and Channel Islands in July. Director Larry Fortmuller will be organizing information and providing details for the members taking their boats on an extended cruise. This cruise is designed to include members who wish to drive or take the train for the Friday-Sunday period as well.

Our monthly meetings are held the first Wednesday of each month at 7 p.m. We welcome your valuable input. Please join our fun group and help us plan the upcoming cruises. We look forward to seeing you all there!

New Year's Eve Revelers

Vice Commodore
Jerry Shandera

bulkmaterialsystems7@gmail.com

Beautiful Display and Facility Upgrades

BCYC sparkled this past holiday season, thanks to the efforts of Kari Konapelsky, Kristy Parr and their many, many elves. From the Fantasy Sail folks from around the country, to all the members and guests who enjoyed the Christmas Boat Parade, all were mesmerized by this fabulous display. Well done!

Through the efforts of Larry Michaels and Staff Commodore Ted O'Connor, capable assistance of General Manager, Scott Jones, and our awesome maintenance team, Juver Garcia and Mario Nieto, several improvements to the club have been completed. The very obvious facility updates are: new carpeting on the main level of the club (finished by March); refinishing the bar chairs and wood in the Columbia Room; and sanding and applying many coats of varnish on the wood floors, from the entryway to the dance floor. On the upper level, the new skylight, fresh paint and updating the area around the fireplaces have transformed this important part of the club. Less obvious is the replacement/upgrade of all of the wall-divider mechanisms. Special thanks to Staff Commodore Kenny Rozak, who got the planning for these important changes moving forward.

In the marina, the floating dock will be expanded (by early February) so that the CFJ fleet will be stored on this dock. The benefits are easier, quicker rigging and launching of these boats, allowing up to one more hour of sailing time. Purchasing and installing this dock expansion was possible due to the generosity of members making The Gala a big success.

Look for more upgrades/changes in the coming months and years.

Sail Fleet Captain
Bill McNamara
bill.mcmanara@cox.net

*Gratitude, Responsibility,
Volunteering and Fun*

It is my honor to be writing this article as BCYC's 2017 sail fleet captain. I am grateful to Commodore Chuck Wert for his confidence in me by making this appointment. I look forward to addressing the needs of all our members who go afloat with sails – racing, cruising or simply messing around in boats.

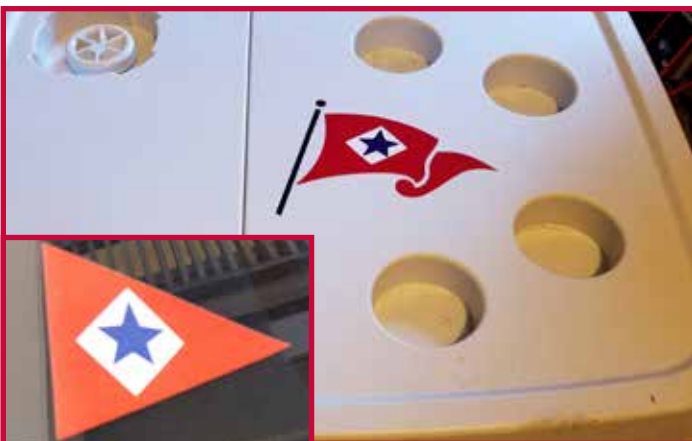

Several years ago, I was looking to expand my yacht race management experience, and BCYC's Paul DeCapua allowed me to try out for his Race Committee. Paul was generous with his time and provided valuable advice from his years racing and running races. He even let me wash the Race Committee boats after each race! I will be forever in his debt for introducing me to the "friendliest club on the bay" – any bay.

BCYC has built up a tremendous calendar of Harbor 20 and PHRF races and is well regarded by the hundreds of racers we serve. That legacy is a big part of what we Race Committee volunteers will be protecting and building on in 2017. We are looking to increase our ranks and share the fun. Anyone who ever wanted the best seat at a yacht race, or wanted to put their boat to use, or just wanted to spend a few fun hours in the sun with new friends... please contact me about joining our Race Committee volunteers.

Speaking of fun, the excitement and enthusiasm surrounding Director Rhonda Tolar's years of perfecting Taco Tuesday post-race events is the inspiration for recruiting post-race event chairs. Please seek me out if you'd like to apply your enthusiasm and talents to one or more of our post-race festivities.

Looking forward to seeing you in the club and on the water.

Visit the club office to purchase your burgee stickers!

Food and Beverage
Rhonda Tolar
rhtolar@gmail.com

Signature Dining

Happy New Year! I am looking forward to 2017 and am very excited to have the opportunity to be the 2017 Food and Beverage Committee chair (F&B). All members are welcome to attend F&B meetings – check the club calendar for meeting dates and plan to join us on Feb. 9, at 6 p.m.

We have two new F&B-related projects in the works. First, we will be responsible for planning the Opening Day dock parties. This year, the goal is to open the planning and creating aspects of the parties to the entire membership, rather than only boat owners in the marina. Whether you have a boat or not, we welcome all members to attend and assist in this event planning, with the kickoff meeting Sunday, Feb. 19, at 4 p.m.

In addition, I am very excited about the new *Signature Dining* evenings, sponsored by the F&B Committee. The main dining room will be transformed for these evenings. Along with the regular dinner menu, there will be some special entrees created specifically for the event. Last November, we did a trial run – the table setting is shown in this picture. Thanks to those members who graciously participated in this first run-through, as their suggestions were most helpful. *Signature Dining* evenings have been scheduled for March 17, June 9 and July 22, and we will add pop-up *Signature Dining* evenings during the year. These events will be well publicized, so be sure to book reservations early, as they will sell out quickly!

As the new F&B chair, I welcome all members to reach out to me, rhtolar@gmail.com, for any and all topics regarding food and beverage at BCYC. I am looking forward to a great 2017!

Junior Sailing Director
Cameron MacLaren
cameronm@bcyc.org

The Gala Fundraising Paying Off!

Happy New Year. I'm happy to report that our number one item on the Junior Sailing Department wish list has already been fulfilled, due in large part to the success of The Gala held last September! We took delivery of our new plastic dock and are currently working on its installation. This modular dock will join the existing plastic dock at the base of the launch ramp, under the crane, to provide an area for CFJ storage in the marina. We are very excited to begin using our new dock, which will create additional space in the boatyard and reduce daily rigging time dramatically for our sailors.

January was a busy month with lots of regattas and every weekend booked between club and high school sailing events. On the club side of racing, our CFJ sailors attended the Shadden Regatta in San Diego, our Sabot sailors competed in the North Series in Alamitos Bay and our C420 team travelled to the US Sailing Center of Long Beach for the Perry Series. High school sailors participated in the Rose Bowl Regatta off the Belmont Pier and the Harold Adams Team Race Classic at San Diego Yacht Club. We're lucky to have so much action on the water during the winter and glad to see many of our sailors taking advantage of it!

Ship's Store

Happy New Year BCYC members! I'm excited to be your new Ship's Store Committee chair. Huge thanks go to Director Rhonda Tolar for showing me the ropes as I take on this position. We plan to attend gift and apparel shows throughout the year, looking for new and fun items for the store. I look forward to sharing this great merchandise with you all. Feel free to contact me with questions or comments at lori@skydiamondsinc.com.

- Lori Curtin, Ship's Store Chair -

Junior Commodore
Sammy Pickell
sammy@pickellfamily.com

Beneficial California "Winter"

At BCYC, the winter season becomes palpable as members, still enjoying boating as usual, transition to spectating from our cozy club as the famous Christmas Boat Parade passes by. For the junior sailors however, despite BCYC's noticeable transition into the winter season, living on the west coast keeps our sailing almost unaffected by winter.

This winter, in between ski trips, many juniors continued to challenge the season's (relatively) cold temperatures with sailing as planned. A few BCYC sailors traveled to Florida to compete in the Orange Bowl regatta — a national favorite that offers the only opportunity for east coast kids to compete in the middle of winter. Lucky for our California sailors, opportunities don't begin and end out of state. The local high school sailing teams all competed in early January at the Rose Bowl regatta in Long Beach. Lastly, BCYC junior sailors train weekly, proving that the only change that winter brings for us Californians is that optional extra layer of clothing on the water.

Being able to attend these important events and continue with our regularly scheduled sailing gives us an edge on sailors across the country; and a few extra months for the California juniors can ultimately play a big role in our competitive sailing edge.

Junior Board

Last year was the best yet for Junior Board fundraising. Some of our fundraising events included Poker Night, Bingo Night and Burger Bash bake sales. The money we raise from these events goes to support the Junior Sailing Program. We also participated in The Gala, which raised funds to support the Sailing Foundation.

This year, we're looking to raise even more. You can help Junior fund-raising efforts by being part of ALL the fun surrounding Super Bowl LI. Announcements about future Junior fundraising activities will be well publicized and we greatly appreciate your support.

- Zoe Johansson, Junior Board Communications -

Junior Events Committee

I am excited to announce that the Junior Events Committee (JEC) will be in full swing in 2017. The JEC will plan age-appropriate, family-friendly events to coincide with club activities. We got an early start during the holidays with an Ornament Crafting Party that took place during the Holiday Design weekend. Members of all ages created holiday tree ornaments that adorned the new Family Tree. Watch for announcements about other fun activities throughout the year.

We could use your help! If you have ideas for events that would appeal to your family, join our committee or come to a meeting – our next one is Jan. 25 at 7 p.m. Feel free to contact me with comments or questions at [djrrj2337@gmail.com](mailto:djrj2337@gmail.com) or 949-813-2538.

- Ramsey Johansson, JEC Committee Chair -

Las Commodoras
Bobbi Silvey
mbsilvey@yahoo.com

Fashion Show Fun

Happy 2017! I am looking forward to a fun and exciting year.

Las Commodoras kicked off the year with our annual Recognition Luncheon, Life on The Water. Hosted by Junior Staff Commodore Sandy Mills, the event honored all the fabulous women of BCYC! Thank you, ladies, for your generosity and dedication to our club.

We have a fun year planned for you. Please make plans to join us Feb. 16 for our annual Fashion Show luncheon, when members will host Marine wives from Camp Pendleton.

Las Commodoras has events planned almost every month throughout the year and we are looking forward to seeing everyone and enjoying all these events at BCYC.

Port Captain
Mark Silvey
mbsilvey@yahoo.com

Be Prepared

Ahoy. It is hard to believe it is 2017. Somewhere in there I blinked and 2016 is past tense! I am honored to continue as port captain. Many thanks for your continuing support and helping to keep the BCYC marina neat, safe and shipshape.

Many are beginning spring cleaning, refreshing flares and fire extinguishers, painting, oil changes, etc. Disposing these old items is up to you, as the Harbor Patrol, Coast Guard and local fire departments will not take them. You must take them to recyclers for hazardous waste. There are four Household Hazardous Waste Disposal Centers (HHWCC) in Orange County — Anaheim, Huntington Beach, Irvine and San Juan Capistrano. Visit oclandfills.com for more information.

Please check your dock lines. Winter is here and tidal and storm surges are strong, so any old or frayed lines should be replaced NOW! Please visit your boat and secure it for the coming winter storms. We are in the entrance channel flow to the ocean, so we get residual swells and surges, especially strong at high tides. Also, check hatches, canvas and bilge pumps to make sure all are in good shape and working properly. 2017 is starting out with more intense storms than we have seen in quite a few years – be prepared. Looking forward to seeing you on the docks.

Rear Commodore
Steve Moffett
svtempest@gmail.com

Meetings, Responsibilities and Events

I am excited to be your rear commodore in 2017. If you don't see me in the Columbia Room, dining room, on the docks or our boat, look to a meeting room! If I'm not in one of the committee meetings mentioned below, it's possible I'm in the Cruise Committee meeting as co-chair with my wife, Lauri, or at the BCYC Board of Directors meeting.

According to the BCYC Bylaws, the rear commodore shall serve as the liaison between the Board of Directors, the Las Commodoras President and the chairpersons of the following land-based committees: activities, food and beverage, house, junior events, membership, merchandise, press relations, *The Masthead* and traditions.

Each of these meetings is like a special social event. We work hard, but also build better friendships and camaraderie. Committees are important and critical to the success of BCYC, enabling happy and active members.

The year began with the New Year's Eve Party, chaired by Kristy Parr and Kari Konapelsky. Kristy has already begun plans for next year's party. Our first Steering Committee meeting, chaired by Vice Commodore Jerry Shandera, was attended by all committee chairpersons, both land- and water-based. After 15 short, but detailed reports, I came away with more information about club activities than I have space to write about. Events in January included the Safety at Sea Seminar, Las Commodoras Recognition Luncheon, Lounge Night, Poker Challenge, Hot Rum Series racing and the new *Signature Dining* event. In February, look forward to the Women's Sailing Convention that will take over the yacht club Feb. 4. Following soon after is the Super Bowl party, J Flag event, Doug Mills Series races, Las Commodoras Fashion Show, SCYA Midwinters races and finishing with the must-attend event of the year, Commodore's Ball, Feb. 25.

Can you believe how busy and active BCYC is? See you at the club!

DID YOU KNOW ? Important Stuff

Did you know that the Women's Sailing Convention, sponsored by SCYA, will take place at BCYC on Saturday, Feb. 4, with more than 200 ladies participating in several workshops during the day, followed by a banquet that evening at the club?

Did you know that BCYC has a Harbor 20 available for rent by members who have passed the certification course? Contact the club office for additional details.

Did you know that if you got new 'wheels' (vehicle) for the holidays, you need to stop by the club office to get a parking sticker?

A Note from our Chaplain . . .

"One is evil. It is anger, jealousy, greed, resentment, lies, inferiority and ego. The other one is good. It is joy, peace, love, hope, humility, kindness, empathy and truth. The wolf that wins? The one you feed."
